

DUNHAM CELLARS | 2001 LATE HARVEST SEMILLON

2001 LATE HARVEST SEMILLON | Limited Release - Clean, light, and golden straw in color, the Dunham Late Harvest Semillon has a bright floral bouquet, with ripe peach, pineapple, and banana wrapped around notes of fresh pear on the nose. Delightfully sweet, this wine has a buttery mouthful of condensed apple and warm pear tart, with hints of apricot that roll into the extremely long finish. Refrigerate for either an aperitif or after dinner.
